### BLACKWELL'S FIVE-MINUTE VETERINARY PRACTICE MANAGEMENT CONSULT

0781759846 • Lowell Ackerman (Bizvet, Inc.) **A\$RRP \$165.00  
NZ \$198.00**

Blackwell's Five-Minute Veterinary Practice Management Consult is a comprehensive, one-stop reference text on all things management related, from understanding the marketplace in which veterinarians practice, to appreciating hospital finances, to the nuts and bolts of marketing services for a veterinary practice. Topics are covered in a thorough but concise format and provide

invaluable information for practice owners, administrators, associates and staff.

**Key Features:** • follows the popular Five-Minute Veterinary Consult structured format • consistency of presentation makes for easy information retrieval • focus is on practical rather than theoretical solutions for veterinary practice issues • provides examples within relevant topics.

### BUILDING THE SUCCESSFUL VETERINARY PRACTICE VOLUME 3: INNOVATION AND CREATIVITY

0813829844 • T E Catanzaro **A\$RRP \$99.95  
NZ \$119.94**

The final volume of Catanzaro's benchmark series on building a veterinary practice, this is also the series' keystone, providing the ways and means to keep a veterinary business going and growing under all sorts of circumstances. Creativity is the key to healthy change, and it is also the key to Catanzaro's approach as he helps the vet and clinic staff to "colour outside the lines" -

to think in new ways that will enhance procedures and employee morale in any practice.

A noted veterinary practice management consultant, Catanzaro draws on his own extensive experience and that of other consultants, writers, and speakers to bring together the essential tools for individual brainstorming and organisational restructuring. Liberally illustrated with examples, tables, charts, and forms, and full of exercises for stimulating creativity, this volume focuses on hiring strategies and job redesign, establishing leadership and building a client base, learning and teaching new techniques, and, last but not least, money matters. It offers advice and insights on a wide range of particulars, from marketing gimmicks to computerised medical records to fiscal shelters. Culminating and capping an indispensable series, it will be essential to the ongoing success of any veterinary practice.

### BEYOND THE SUCCESSFUL VETERINARY PRACTICE SUCCESSION PLANNING AND OTHER LEGAL ISSUES

0813812097 • T E Catanzaro, R W Deegan, E J Guiducci **A\$RRP \$140.00  
NZ \$168.00**

A follow-up to the successful and sensible Building the Successful Veterinary Practice series, this new volume provides the business know-how needed to make today's emerging practices tomorrow's established practices.

Author and consultant Thomas Catanzaro reveals his secret to building a business for the future: a strong succession plan. This

book will help readers incorporate a defined leadership structure; address the internal and external legal issues of a practice; and understand the economic factors of owning and selling a practice.

### VETERINARY PRACTICE MANAGEMENT 3RD EDITION

0632057459 • John SM Bower, John N Gripper, Peter L Gripper, Dixon Gunn **A\$RRP \$135.00  
NZ \$162.00**

The third revised edition of this comprehensive book continues to provide an essential source of information on practice management. It gives straightforward guidance to veterinary surgeons setting up in practice for the first time as well as being invaluable to established practitioners and staff keen to improve the efficiency of their business.

Those preparing for the Certificate in

Veterinary Practice Management will find it particularly helpful.

Written by recognised experts in their field, Veterinary Practice Management now includes new chapters on veterinary nurse clinics, pharmacy management, management accounts and staff appraisals. There is also new material providing information and advice on partnership contracts, business marketing and health and safety.

### DESIGN THE DREAM - A VETERINARIAN'S PRE-CONSTRUCTION PRIMER

0813829224 • T E Catanzaro **A\$RRP \$96.95  
NZ \$116.34**

The process of planning and building or renovating a veterinary healthcare facility is often long, complex, and fraught with problems. Conceived and developed as a pre-construction self-training and orientation text, Design the Dream demonstrates how members of the practice staff and technical experts work together to create a long-range plan that will assure financial viability and regulatory compliance.
