

# KRUUSE Equine Recovery & Rehabilitation Bandages

## KRUUSE Frontal Bandaging

**Indication:** This bandage is indispensable when covering wounds and cuts in places difficult to bandage.

A combination of 3-dimensional elastic wrap with large adjustable areas of foam.

Standard length of front limb sleeve 22cm.

### Provet Code Description

EQUI K F1	Foal Frontal Bandaging S: 70 - 89cm	●
EQUI K F2	Foal Frontal Bandaging M: 90 - 109cm	●

EQUI K F4	Equine Frontal Bandaging M: 170 - 200cm	●
EQUI K F5	Equine Frontal Bandaging L: 200 - 240cm	●

## KRUUSE Recovery Bandaging

**Indication:** For immediate post-operative protection for the first hours after the surgery.

A 3-dimensional elastic wrap with wide foam endings covered in velour to form a strong adhesive to TRIHOOK.

Interior pocket lined with a monofilm pad 1cm thick, acts as an air cushion for covering the lower abdomen. The Kruuse Recovery Bandage allows for the horse to stand up easier and provides full protection in the case of a violent recovery.

### Provet Code Description

## KRUUSE Post Colic Surgery Kit

**Indication:** Abdominal surgery.

An abdominal wrap with a removable and washable interior pocket. The mesh inside the interior pocket may be slit to create an opening for inserting and replacing absorbent drainage pads.

Fit in less than three minutes the perfect post-operative bandaging.

External: Foam covered in velour that is adhesive to TRIHOOK (an extra strong adhesive strip).

Internal: 100% skin-friendly cotton.

### Provet Code Description

EQUI P 5	Equine Post Colic Surgery Kit L: 200 - 240cm	●

## KRUUSE Equine Scrotum Strap

**This strap is an addition to the Post Colic Surgery Kit and only for male horses.**

The strap has three adjustment points. The goal is to adjust the small hollow just in front of the penis to avoid the horse urinating inside the abdominal wrap.

**Use:** Fit the KRUUSE Scrotum Strap in the middle just in front of the penis and fasten on the dorsal strap.

### Provet Code Description

EQUI K S1	Equine Scrotum Strap S	●
EQUI K S2	Equine Scrotum Strap M	●
EQUI K S3	Equine Scrotum Strap L	●
