

OsteoRelief Green Lipped Mussel Blend

Support Joint Health *Naturally!*

Covetrus OsteoRelief Green Lipped Mussel Blend is a premium joint health supplement designed for dogs and cats of all ages. It provides comprehensive support to help maintain healthy cartilage, connective tissue, and overall joint mobility.

Key Benefits:

- ✓ **Natural Ingredients:**
Combines Green Lipped Mussel, Marine Cartilage, and Abalone for optimal joint health support.
- ✓ **Nutrient-Rich Formula:**
Packed with glycosaminoglycans (GAGs) and omega-3 fatty acids essential for joint health.
- ✓ **Antioxidant Properties:**
Includes antioxidants to combat free radicals and promote overall joint function.
- ✓ **Promotes Mobility:**
Helps maintain flexibility and joint lubrication, making it ideal for active and senior pets.
